PRIVATE RETREAT

Indulge in the ultimate privacy and seclusion of this villa, part of Aran, Thailand's first biophilic boutique residential project. Nestled amidst a tropical oasis, this haven of peace and tranquility offers an escape from the crowds and distractions of everyday life. Relax in the spacious living areas, soak in the natural light, and let the stresses of the world melt away. This is your personal paradise within Aran, where you can truly be yourself.

BIOPHILIC LIFE STYLE

Embrace a harmonious way of living. The Double Garden villa embodies the principles of biophilic design, seamlessly integrating nature into every aspect of your stay. From the abundance of natural light and ventilation to the use of organic materials, textures and teak wood, every element promotes a sense of well-being and connection to the environment. The presence of lush green rooftop gardens further enhances this connection, creating a visual spectacle that soothes the senses and invites contemplation. Experience the transformative power of living in harmony with nature.

INVITING THE NATURE

Experience a blurring of boundaries. The villa's expansive 90m² living area, boasting 4.5-meter ceilings, dissolves the lines between indoors and out, inviting the lush tropical landscape to become an integral part of your experience. The open-concept design allows the gentle breeze, the sounds of nature, and the vibrant colours of the surroundings to fill every corner of the space. This is a sanctuary where you can truly reconnect with the beauty and serenity of Koh Phangan, feeling the pulse of the island in every moment.

HIGH-END MATERIALS

Experience boutique biophilic living, where natural colours and textures blend seamlessly with thoughtful design. Every inch of this 175 m² villa showcases the finest materials and craftsmanship, creating an ambiance of refined elegance that complements the surrounding environment. From the warm teak wood accents to the hand-selected natural fabric features, no detail has been overlooked. This is a space where sophistication and comfort intertwine, offering a haven of tranquility and indulgence for the discerning traveler seeking a deeper connection with nature and harmonious design.
